

MANA POTION

159:-

Feeling drained? Out of spells? Don't worry, we cooked this up using leftover blue screen pixels, gamer sweat, and a sprinkle of wizard tears. Restores at least +50 MP (probably). Sip carefully - it might unlock abilities you didn't even spec for.

INGREDIENTS:

vodka, blue curacao, lemon, syrup, blue sugar, lemon soda

HP POTION

159:-

Low on health? Skip the respawn timer and chug this red mystery brew. Crafted from questionable herbs, expired energy drinks, and probably a drop of barbarian blood. Restores at least half your dignity - if not your HP.

INGREDIENTS:

aperol, strawberry, citrus, red sugar, lemon soda

COCOLICIOUS

155:-

Yeah, it's basically coconut in liquid form - but with booze, so you don't feel like you're on a yoga retreat. Tropical, sweet, and dangerously easy to drink.

Warning: may cause spontaneous limbo contests.

INGREDIENTS:

dark rum, pineapple liquor, pineapple sugar, lime, coconut foam

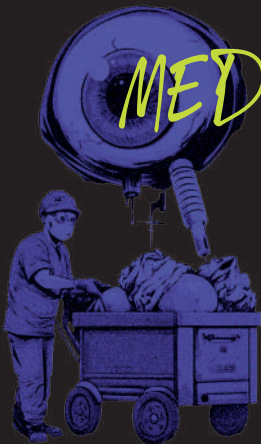

MEDICAL WASTE

155:-

Yeah that's right, we found some weird stuff in a dumpster behind the local hospital and made a cocktail... If that isn't environmentally concious enough, call Thunberg. Don't forget to use the syringe.

INGREDIENTS:

vodka, limoncello, mango, chili sugar, lime, an eyeball

MAGIC POTION *59:-*

Conjured with rainbow fizz, a dash of mystery, and absolutely no grown-up stuff. Tastes like pure magic and might just turn you into a dragon for five minutes (results may vary).

INGREDIENTS:

lemon juice, lemon soda, bubble gum

MEDICAL WASTE *59:-*

Yeah that's right, we found some weird stuff in a dumpster behind the local hospital and made a cocktail... If that isn't environmentally concious enough, call Thunberg.

INGREDIENTS:

lemon juice, passionfruit juice, lemon soda, an eyeball

ALL COCKTAILS 5CL

BANANA JAMA

155:-

Looks like someone dropkicked a banana into a blender and called it a cocktail. Sweet, yellow, and suspiciously addictive - like Mario Kart but with less blue shells. Pairs best with questionable dance moves.

INGREDIENTS:

vodka, banana liquor, white cocoa, milk, lime

ULTI

159:-

Why waste your ultimate on minions when you can pop it right here? This drink charges faster than your cooldowns and hits harder than a poorly timed gank. Drink responsibly - or don't, we're not your support.

INGREDIENTS:

vodka, mango kuyper, elderflower kuyper, lemon juice, syrup, passionfruit juice

GLTF

235:-

Start every match - and every night - the right way. Sweet, strong, and slightly chaotic, this cocktail sets the tone. Just remember: good luck, have fun... and if all else fails, blame the lag."

INGREDIENTS:

morgan, chambord, raspberry sourz, lime, syrup, passionfruit juice

DESIGNATED DRIVER

89:-

When you don't want to waste money on an Uber, invite a friend and buy them this drink... You don't even have to like the person, but hey... they've got wheels!

INGREDIENTS: (NON ALCOHOLIC)

lemon, syrup, passion fruit, mango, cherry, pineapple
